Admission: 35 Euro (free participation for students,
PhD candidates and ministries)

Registration: IWWR@rewiss.fu-berlin.de
(till 10.01.2017)

Space is limited.

**Registration is on a first come, first
serve basis.**

Venue: Freie Universität Berlin
Boltzmannstr. 3
14195 Berlin
Room 2212
1st Floor

Autonomous Driving: Towards a new legal framework for civil liability and data markets

Self-driving cars are soon to drive on German roads. The legal framework is still in the making. An efficient and equitable design of the civil liabilities regime and a – likely sector-specific – regime for dealing with the relevant personal and non-personal data are among the main challenges. The workshop shall address important aspects of these timely issues.

Keynote: 2-2.45 p.m.

Prof. Daniel Crane

Frederick Paul Furth Sr. Professor of Law
University of Michigan

“Data Generated by Connected and Autonomous Vehicles: Ownership, Exploitation, Security, and Privacy”

Session 1

2.45-4.15 p.m.

Chair: Dr. Bernhard Gause, LL.M.

Gesamtverband der Deutschen
Versicherungswirtschaft e. V. (GDV)

Dr. Jan-Erik Schirmer

Humboldt-Universität zu Berlin

“Achtung, bitte! - Germany’s half-hearted draft law on automated vehicles”

Prof. Dr. Christian Armbrüster

Freie Universität Berlin

“Autonomous vehicles – a shift from automobile liability to product liability?”

Prof. Dr. Gerhard Wagner, LL.M.

Humboldt-Universität zu Berlin

“The Future of Automobile Liability and Insurance”

4.15-4.45 p.m.

Coffee Break

Session 2

4.45-6.15 p.m.

Chair: Prof. Dr. Wolfgang Kerber

Universität Marburg

Prof. Niko Härting

HÄRTING Rechtsanwälte PartGmbB

“Data protection / data ownership: Computers on wheels – who owns which data?”

Dr. Philipp Hacker, LL.M.

Humboldt-Universität zu Berlin

„Using Personal Data from Autonomous Vehicles – Between Innovation and Exploitation“

Prof. Dr. Ruth Janal, LL.M.

Freie Universität Berlin

“Car-related data in civil litigation”

6.15-6.30 p.m.

Closing remarks & end of conference
